APPROXIMATIONS

A sign up sheet is available for volunteers at our 2 day show. All members should be helping in different location's through out the day to help relieve our members for a breaking period. The day tends to be a long one so the more volunteers the better. Hope to see you all there.

Sue Gerdes as brought it to our attention that we are in need of sponsors for our 2 day show. How ever Lisa Laing was in control of that area, So Sue has graciously stepped up to take that position over. Sponsor ship form can be found on the HCVSC web site. Any question's please feel free to ask Sue

With the passing of Lisa Laing there is also a seat open for board of directors this will be a 3 year term.

DISCUSSION Austin has volunteered to drag the arena for our Cheese curd show.. Thank's Austin

We really need to start thinking of Moving Hay Creek Valley Saddle Club to a new Location for the 2011 show season. Location discussed so far is the rental of SCRSC in Baldwin. Further discussion's to follow.

Derrick Rawson and The Paquet's will be meeting with the Land owner's, they will give an update when all is ready.
